PERSONA

Andy Sherman

“Let’s do well today in hopes for a better tomorrow”

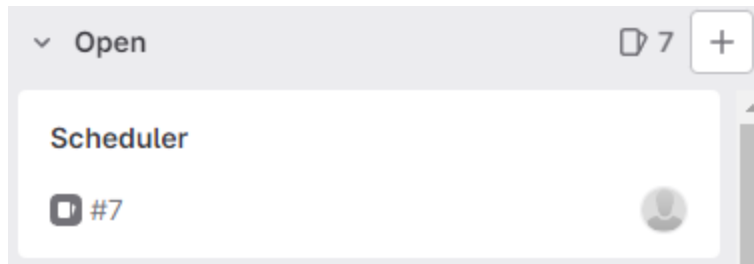

Goals

- Do a minimum of 2 hours of work on each module daily
- Eat on time
- Get back to work on time

Frustrations

- Gets distracted easily
- Often skips meals or has them very late
- Often finds it difficult to get back to work after a break

Andy is a boy who wants to achieve many things but his grades are holding him back, so he wants to work harder, but his tendency to get easily distracted by social media is preventing that. He would like to stop procrastinating and develop good studying habits to get his work done.
